

Engage – meeting point.

21 January 2019

Located just after the SAS security check this premium location gives you the possibility of meeting all travellers on the way from the security area to the tax free and international gates. This is the biggest Engage location at the airport and gives your brand the possibility to get a 360 degree display.

Recent study from Nielsen shows that 46% of air travelers engage with a new product or service when in transit at the airport.

Size of location: 30 sqm

Maximum height of stand: 2,5 meter

Estimated pax per year: 20 000 000

Price per request.
